Memorandum

TO: Nick Hernandez, City Manager, City Commission, and Mr. Mayor

FROM: Marla McFarland, Human Resource Manager

DATE: November 9, 2012

SUBJECT: FSA Administration/AFLAC/Dependent Life Insurance (2013 Plan Year)

At the City Manager's request, I am presenting this Management Memo to request approval of the following benefits for city employees.

Flexible Spending Account (FSA) Administration

We would like to suggest entering into an agreement with Surency Life and Health to act as our third-party administrator (TPA) for our Flexible Spending Accounts. Currently, FSA administration is being completed in-house. Due to HIPAA and IRS concerns, we feel it is imperative to bring in a TPA to administer the plans and make certain we remain in compliance.

In addition to privacy and compliance benefits, we will be able to offer participating employees the ease of a preloaded debit card they can utilize for their qualifying FSA reimbursable expenses. The purchase is automatically paid to merchants so the employee only has to pay once – when their FSA election amount is deducted from their paycheck. Surency will also provide the city with employee education materials, reports and customer service.

Cost to the city includes a one-time setup fee of \$200 and \$4.80 per member per month. There is a \$0.50 per member per month discount for all participants who provide Surency a valid email address which could potentially bring the cost down to \$4.30 per member per month. The total cost per year is estimated at approximately \$2,000.

AFLAC

The City of Arkansas City provides benefits eligible employees with the option to purchase supplemental insurance plans through payroll deduction. Currently, we offer supplemental Accident, Critical Illness, Short-Term Disability, Cancer and Heart Stroke insurance through American Heritage Life Insurance Company. We would like to include AFLAC as an additional vendor for these same types of plans because of employee interest.

The entire plan cost will be paid by the employee with no cost to the employer other than time to administer the benefits through Finance and Human Resources.

Principal Life Insurance Company Dependent Life Insurance

We would like to request approval to provide employees with the option to purchase life insurance for their dependents (spouse and/or child(ren)) through payroll deduction. We already have an established relationship with Principal Life Insurance Company as the city provides all benefits eligible employees with a \$10,000 life insurance policy through Principal Life Insurance Company.

We request approval to simply add the ability for employees to purchase life insurance for their dependents.

The entire plan cost will be paid by the employee with no cost to the employer other than time to administer the benefits through Finance and Human Resources.

Thank you for your time and consideration.

Respectfully Submitted,

Marla McFarland
