Capital Improvement Program

Make your opinion heard!

Who decides which roads are improved? What's the plan for our City parks? Which City facilities need to expand? How can I make a suggestion?

The answers are in the City's **Capital Improvement Program (CIP)**. As one of the most important City documents, the CIP is an inventory of recommended and current projects (e.g. street maintenance, landscaping) and major purchases (e.g. vehicles, facilities) that the City uses to support its services and programs.
