

AMENDMENTS

1-19-16 Numerous amendments were needed to the Site Plan Review Regulations originally adopted May 20, 2014. The entire document was readopted as part of this revision. (Ordinance 2016-01-4404)

2-16-16 Article 13 Section 13-702 was amended to remove provisions that required all door openings for mini-warehouses to face away from residential property and public right-of-way and replaced with an option that allowed such openings to face residential property or public right-of-way if proper screening is installed. (Ordinance 2016-02-4407)
