## Ark City man arrested for methamphetamine, paraphernalia

*Wyckoff jailed on \$6,000 bond, also was wanted on failure to appear warrant*

ARKANSAS CITY, Kan. (March 29, 2017) — The Arkansas City Police Department on March 20 arrested an Arkansas City man for multiple drug offenses and also on a warrant for failure to appear.

Daniel Lea Wyckoff Jr., 47, was arrested on suspicion of possession of drug paraphernalia and possession of methamphetamine. He also was arrested on the Arkansas City Municipal Court warrant.

Wyckoff was transported to and booked into the Cowley County Jail in lieu of \$6,000 bond through Cowley County District Court in Arkansas City. He since has posted bond and been released.

Police were dispatched about 4:30 p.m. March 20 to a residence in the 100 block of North D Street for a welfare check. They contacted a male there who later was identified as Wyckoff.

A records check revealed the active warrant for his arrest. He was taken into custody and searched.

During that search, officers found several items of drug paraphernalia and a crystal-like substance.

A defendant's guilt or innocence is to be determined by a court of law.
