

## **GENERAL INSTRUCTIONS FOR COMPLETING AN APPLICATION FOR REZONING OR CONDITIONAL USE PERMIT**

1. Each applicant should consult with the Neighborhood Services Division prior to submitting an application in order to obtain the necessary information and processing requirements.
2. Each item and question on required forms must be completely answered or the application will not be processed for public hearing. The determination of whether an application is complete rests with the Neighborhood Services Division.
3. Following is an explanation for some of the information required:
  - a. Describe only the property you desire rezoned. This description is published in the official city newspaper and the description of the lots, blocks and subdivision must be correct and all metes and bounds descriptions must close.
  - b. The application must be endorsed by the owner or owners of record. "Owners of record" means the owner or owners as contained on the last deed of record filed with the Register of Deeds, Cowley County, Kansas.
  - c. Provide information on the justification for the rezoning and data to support your application.
4. Five (5) copies of a site development and landscaping plan, when required, shall accompany the application, drawn to scale on a sheet 24" x 36" in size. Such plan shall indicate all dimensions, boundary of the subject property, the proposed buildings and all physical improvements to be made, and the proposed use. Consult the Neighborhood Services regarding this requirement.
5. Zoning applications should be submitted to the Neighborhood Services Division approximately 40 days prior to public hearing date so they may be properly processed and public notice given, as provided by law, prior to public hearing.

6. Zoning applications are considered at public hearings of the Planning Commission, then at open sessions of the City Commission. Consult the Neighborhood Services Division as to the schedule for the prearranged date, time, and meeting place for the hearing.
7. Applications for proposals must be accompanied by filing fees. Due to costs incurred in legal advertising and processing of applications, filing fees shall not be refunded regardless of application approval or disapproval. Rezoning fee schedules are available in the Neighborhood Services Division.
